Chotrul Duchen is the festival for the Display of Miracles. The leaders of India's six main philosophical schools challenged the Buddha to a contest of miraculous powers. On this day the effects of positive or negative actions are multiplied 10 million times. Please bring food to share for the potluck tsok after the smoke offering puja. All are welcome, FREE.

We honor Dakini Day on the 4th Wednesday of the month. We rotate through these four practices over 4 months.

The next practice will be **Kurukulle**, the Female Buddha of Passion or Enchantment, inseparable from ultimate reality while perfectly engaged at the relative levels of our experience. NEW! Innate Happiness (Second Edition)
A Direct Guidance Manual for Householder Yogis and Yoginis
By Khenpo Drimed Dawa (Khenpo Dean)

Paperback and eBook versions available

Innate Happiness guides busy Westerners on the Buddhist path of liberation from "suffering" and "afflictive emotions" that obscure our Innate Happiness - our deep inner peace. Concise weekly practices are based on the yogi tradition of Tibetan Buddhism as described by Padmasambhava or Guru Rinpoche, considered to be the Second Buddha by Tibetans. The book includes a brief history of Buddhism in India and Tibet, as well as its major principles. This is followed by clear, concise steps on the Paths of Individual

Liberation, Altruism, Tantra, and the Great Perfection. Each path takes the reader through the Three Trainings: ethics, meditation, and wisdom. It provides a complete cycle of for study, contemplation, meditation and liberation, that are highly suitable for the busy lives of Westerners with little time for formal meditation. One advanced student called it "the best book on the practice of Tibetan Buddhism available!"

Paperback and eBook versions are available from **Amazon.com** and other sources.

NEW! The 100-Day Ngondro Retreat
Based on the *Longchen Nyingtik* and *The Words of My Perfect Teacher*
By H.E. Lopon Natsok Zugchen (Jigme Lodro Rinpoche)

The *ngondro* (say "noon-dro") or preliminary practices of Vajrayana Buddhism help you set your intention and commitment to fully follow these teachings. There are several approaches that have been taught. One of them is doing a 100-day contemplative retreat. This is the practice described here, based on the Longchen Nyingtik. It is a supporting commentary ("son" text) to the widely respected text, The Words of My Perfect Teacher by Patrul Rinpoche.

Here, specific contemplations are assigned for twice each day, some being repeated for up to three days for a total of 100 days. Repetition with frequent changes provides a helpful method for reinforcement, as well as sustaining interest over the 100 days.

This approach is very suitable for busy Western practitioners, who often get discouraged trying to attain this essential preliminary practice requirement before continuing into the more advanced practices. It is also helpful for more advanced practitioners to review these valuable contemplations to renew their commitment.

Paperback version is available from **Amazon.com** and soon at other sources.
A Kindle version is in process.
